

To Whom it May Concern,

My name is _____, and I play for Tri-County Smash Softball Organization. We are currently raising money to play travel softball. My team travels all over California and even out of California to compete in the best tournaments possible. We are currently traveling to display our skills to college coaches and recruiters and in the near future I hope to one day play in College. I hope you will help me play on this highly competitive travel team this year and a tax-deductible donation will help me reach my goals.

The goal of this elite travel ball team is to participate in the ASA/USA national tournament or premier girls fast pitch nationals. To qualify for such a tournament requires us to enter the best tournaments around. These tournaments will take us on a tour that includes Stockton, Merced, Turlock, and hopefully Southern California.

Expenses for such a commitment, as you could imagine, are great but necessary to display the skills I have learned in the last five or so years to play at this level. We hope you can help in this area and help me raise the necessary money to pay for travel, hotels, and tournament expenses.

We work extremely hard to fundraise the majority of our funds in an annual crab feed scheduled in February, our golf tournament scheduled in mid April and our fall family dinner pick up. We still need your help. A tax deductible contribution will be greatly appreciated, and as a benefit to your business we will advertise your business on our website if you wish.

We are the Tri-County Smash Softball Organization. For your tax records our Non-Profit tax ID# is 20-4578134

Thank you very much for your time and consideration.
